"Qa vu...subsita...edere?" *How long are you stay here?* you manage in your broken Magisterian. You think.

Espar looks sad. "Soon."

"What do you mean?" you ask. "Will you be free, or..."

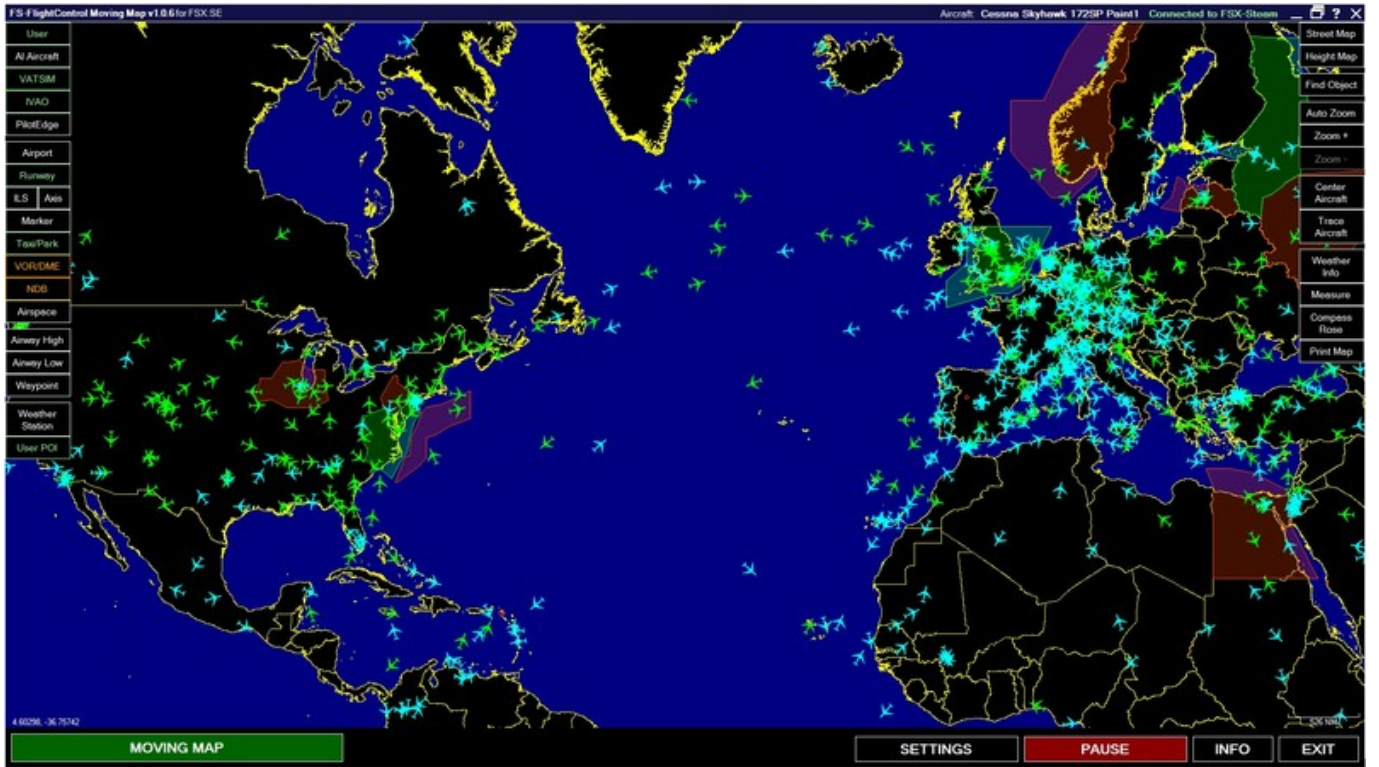

Espar shakes his head and curls up into a ball, head on his knees. He sobs softly.

You could say something to cheer up the old man.

- I reach for his hand and squeeze it to reassure him. (Requires Empathy)
- I put a hand on his back. "We'll get you out somehow." (Requires Optimism)
- I try telling him a knock-knock joke. (Requires Humor)
- I'm not very good at cheering people up. I leave him be.
